

SWGA – 2023 WOMEN’S CLINIC DAY 30TH JUNE 2023

The SWGA Women’s Golf Clinic continues to be an extremely popular event in the district calendar. Seventy enthusiastic players rugged up to embrace and enjoy a wonderful day of golf tuition at Barwon Heads Golf Club.

Despite the challenging conditions we heard nothing but “what a fabulous day” as they worked their way through chipping, pitching, putting, bunkers and the long game with five top rating professionals.

At the end of the day “*I have learnt so much*”, “*so many great tips and information*” , “ *we have had the best day*” summed up the mood of the moment.

Events like this requires the assistance and support of many helpers. Thank you to all who so generously gave their time to make this event a memorable one for all.

Good golfing everyone!

Sally Ludlow – Golf Ops Team
